Health Services Research

Cumulative Index Volumes 1-10
1966-1975

Title entries are in capitals and lower case, subject entries in lower case. Articles are indexed both by title and by first author. Items appearing in the BOOKSHELF, BRIEFINGS, and FEEDBACK sections are indexed under those titles.

absenteeism among nursing personnel, assessment of, 2:140
access to medical care
  index of, 4:188
  theoretical framework for, 9:208
Accuracy of a Health Interview Survey in Measuring Chronic Illness Prevalence. J. R. Moore Jr., 10:162
Adam, E. E. Jr. See Harris, R. J.
Aday, L. A. and R. Andersen. A Framework for the Study of Access to Medical Care, 9:208
adjustment scale, 4:152
administrative decision systems, 3:79
admissions planning, 3:12; 4:293
admissions scheduling, 1:287; 2:181, 287; 3:130; 5:308
adoption of innovations in medicine, 10:369
aftercare program, postal questionnaires in, 4:231
aged
  health care needs, 5:36
  home care needs, 5:36
  inappropriate placement, 5:36
aggregations of the poor, defining, 4:188
Ainsworth, T. H.
  A Physician's Perspective, 6:305
  See FEEDBACK, Brian, E. W.
  See FEEDBACK, Kaplan, R. S.
Albrecht, G. L. See BRIEFINGS
Aldag, R. J.
  See FEEDBACK
  See FEEDBACK, McClain, J. O.
algorithm for admissions scheduling, 5:308
Allen, C. L. See Grimes, R. M.
allied health manpower, 6:369
Allocation of Nursing Personnel in an Extended Care Facility. J. S. Liebman, J. P. Young, and M. Bellmore, 7:209
allocation
  of federal health resources, 10:127, 168
  of hospital beds, 3:119
  of medical resources, symposium, 7:239
  of nursing personnel, 7:209
  of personal health services, 7:148, 150
alternative health strategies, 8:265
Altman, I.
  See BOOKSHELF
